or table (of 8)
stoll.cl@gmail.com**

**BYO Food & Non-Alcoholic Drinks
\$30 adults | \$20 seniors, pensioners or students**

Help support women's health in Africa

As a woman in rural Africa, the cost of surgery is beyond her means. Each time the medical team visits Uganda, they do up to 40 prolapse surgeries and 70 fistula cases. Obstetric fistula is the most common fistula world wide. It is caused by prolonged, obstructed labour. It often affects young women in their first pregnancy, consequently they're usually ostracised by their husbands and families.

How to book your seat or book a table (8 per table) or simply make a donation

- Follow this link to access the website:
<https://hada.org.au/donation/medical-training-in-africa-asia/>
- Click: Africa - Medical Training in Africa and Asia
- Click: "Donate to This Project" Project code AFR-500
- Fill in the page accordingly
- If you're buying a ticket/s, please enter the donation amount as the total ticket/s price (e.g. 2 adult tickets would be a \$60 donation)
